

Audited website: <https://example.com/very/long/path/that/keeps/going/and/going/forever>

Audit date: 9/1/2026, 12:09:54 PM

86

Overall score

Weighted average of 7 verified components; unavailable components excluded and weights renormalised.

The homepage communicates the product clearly but conversion paths are weak on mobile and several images lack alt text. The homepage communicates the product clearly but conversion paths are weak on mobile and several images lack alt text.

Component scores

Performance: 91 (weight 20%, measured)

Source: Lighthouse (PageSpeed Insights, mobile)

- FCP 1.2 s
- LCP 2.1 s

UX: Unavailable — data not captured (weight 10%, unavailable)

Source: Crawled DOM heuristics

Lighthouse / PageSpeed Insights

Performance: 91

Accessibility: 88

SEO: 92

Best Practices: 96

Core Web Vitals & metrics

FCP (First Contentful Paint): 1.2 s

LCP (Largest Contentful Paint): 2.1 s

CLS (Cumulative Layout Shift): 0.01

TBT (Total Blocking Time): 120 ms

TTI (Time to Interactive): Unavailable — metric not reported by Lighthouse

SI (Speed Index): 2.4 s

Strategy: mobile

Notes: LCP is driven by a hero image.

Warnings & data coverage

- PageSpeed keyless mode hit a rate limit on the first attempt.

Metadata: complete | Page body: complete | Lighthouse: complete

Detected issues by severity

HIGH severity (1)

1. Meta description missing

Why it matters: Search engines generate their own snippet, lowering CTR.

Recommended fix: Add a 150-character description.

Expected impact: Higher organic CTR

MEDIUM severity (1)

1. Images missing alt

Why it matters: Hurts accessibility and image SEO.

Recommended fix: Add descriptive alt text.

Expected impact: Better a11y score

LOW severity (1)

1. Footer contrast

Why it matters: WCAG AA failure.

Recommended fix: Darken text.

Expected impact: Accessibility

Homepage clarity

Clear value proposition above the fold.

Call-to-action

- Primary CTA is generic
- Secondary CTA competes with primary

Suggested CTA: Start your free audit

Trust signals

Detected: HTTPS, Customer logos

Missing: Testimonials

Add social proof near the CTA.

User experience

- Navigation has 9 items

Mobile experience

- Tap targets under 44px

SEO

Meta title: 62 chars, good

Meta description: Missing

Headings: 1 H1, 6 H2

Image alt text: 12 of 30 missing alt

- No canonical tag <https://example.com/very/long/path/that/never/ends/at/all/ever/seriously>

Accessibility

- Low contrast on footer links

Conversion audit

- No pricing above the fold

Suggested rewrites

headline: Audit any website in 30 seconds

cta: Run a free audit
